

Reference letter for SGP Group Italy

Since 2016 SGP is providing services for Tristone in the fields of sorting, selection and rework on site of Ciriè and often on clients sites. Basing on orders and missions performer by SGP Sorting Group we can confirm high quality, punctuality and flexibility of services.

We would mark out especially flexibility of personnel and short reaction time, sometimes few hours and solidity in collaboration.

Basic on our current cooperation I can confirm high quality of services and full confidence in SGP staff.

It's worth to mention that services rendered by SGP are always provided on-time and with high quality standards. Qualified management and efficient information flow assures us in good choice we made starting cooperation with SGP Group.

We have pleasure to recommend the international SGP Sorting Group as the straightforward and reliable business partner.
