Reference letter

We have pleasure to recommend the international SGP Sorting Group as the straightforward and solid business partner.

The SGP Sorting Group realized the product quality improvement mission for the international group Cooper Standard Europe with the permanent Headquarter in Mannheim – Germany. Nowadays we cooperate successful with the SGP Group in Poland, Germany and Serbia.

Basing on orders and missions performed by SGP Sorting Group, we can confirm high quality of services and punctuality of realized commissions.

We would like to mark out short reaction time, solicitude during realization of order, flexibility of operation and solidity in collaboration.

SGP Sorting Group administers of well qualified managerial and labor personnel and rich experience, which results in good quality of their work.

We repute this company as deserving for recommendation.

Kind regards / Mit freundlichen Grüßen

Robert Grzyb
Director Advanced Quality
